## Stolen Couch Games Privacy Policy

### About This Policy

This privacy policy describes the privacy practices of the all the apps published by Stolen Couch Games, which includes a link to this policy.

### Personal Information Collection

Apps published by Stolen Couch Games collect personal information. This information does not specifically identify you. We cannot see who you are and how you use our apps. We do, however, gather data to help us improve our apps. If you send us email or other communications, cases like you contact to get technical support, we may retain the content of your communications together with your email address and our responses.

Personal Information Sharing

### The apps published by Stolen Couch Games may share your personal information:

Apps published by Stolen Couch Games share personal information about consumers with third parties for their own marketing purposes.

We may share or publish aggregate information that doesn't specifically identify you, such as statistical information about how customers use our products.

Other Privacy Related Issues

Apps published by Stolen Couch Games may contain links to other sites or applications which are owned or run by 3rd parties. Stolen Couch Games will not be responsible for those linked sites or application and respect to such 3rd Party privacy policies.

### Changes on Privacy Policy

If we change or update the privacy policy to allow Stolen Couch Games to use or share your previously collected personal information in a different way, we will update the Policy on this web page. We encourage you to periodically visit this page for the latest privacy practices.

### You have the right to be forgotten, access and transfer your data

Stolen Couch Games does not store data itself. We use 3rd party providers for that. Below you can find a list of services we use in our apps. If you want to access, delete or transfer your personal data you can contact these services.
